

WALDMANN LIGHTING OPERATIONAL UPDATE - COVID-19

Due to the COVID-19 virus pandemic, Governor J.B. Pritzker of Illinois issued a [Stay At Home mandate](#) for all of Illinois stipulating all non-essential businesses to close their physical locations effective March 21, 2020 through April 7.

Waldmann Lighting manufacturing facilities provide medical lighting products that are deemed essential to the nation's setup of field hospitals. **Therefore, Waldmann Lighting will remain fully operational while taking safety precautions at every step to keep our team members safe and healthy.** To support our nation's necessary infrastructure, we are committed to ensuring ongoing communication during this time. We can still be reached at our main phone: (800) 634-0007 and email: waldmann@waldmannlighting.com and with the specific contact information below.

If your company has any new process or protocols for receiving orders, please let us know as soon as possible so we can assure your deliveries are delivered on time and in compliance. If you will be closing your physical locations, please let us know if you have a date in place that you anticipate reopening.

During these challenging times, we would like to thank you for your patience and let you know we appreciate your business.
