

fitted with	1 x LED
work equipment	Energy efficiency category A+
connected load	without
power consumption	16-32 V; DC
light distribution	approx. 11 W
light color	direct, narrow-angled beam daylight
color rendering index (CRI)	white, approx. 6500 K
glare-free	> 70
system of protection	Fresnel screen
class of protection	IP 67
technology	III
usage	switchable
luminaire body	external
lamp cover	aluminium, anodised,
weight (net)	glass screen
mains lead	approx. 0.1 kg (0.22 lb)
	approx. 0.2 m (7.87 in); built-in plug
	Serie 763
fastening	screwing
special features	spot

Serie 763

illuminance

Distance: 100 cm
 Em: 367 lx
 Emax: 969 lx
 Emin: 44 lx
