Surface-mounted luminaire LINURA.edge - LEA 600/850/ST

114034000-00801344

light source
- LED
- Energy efficiency category A/A+/A++

work equipment
- without
- 22-26 V; DC

connected load
- approx. 6 W

Power consumption
- approx. 630 lm

luminous flux
- approx. 105 lm/W

luminous efficacy
- direct
- neutral white, approx. 5000 K
- > 80

light distribution
- screen

colour temperature
- IP54

color rendering index (CRI)
- III

glare control
- switchable

System of protection
- external

class of protection
- aluminium/plastic, anodised; painted, aluminium coloured

technology
- anodised

operation
- mounted version

luminaire body
- through-wired
- A=335mm, C=290mm, C1=320mm
- A=13.18in, C=11.41in, C1=12.59in

lamp cover
- Acrylic satin

weight (net)
- approx. 0.2 kg, (0.44 lb)

mains supply
- built-in plug

design
- bracket

Fastening
- mounted version

dimension
