

fitted with

- work equipment
- connected load
- power consumption
- luminous flux
- light colour
- color rendering index (CRI)
- glare-free
- system of protection
- class of protection
- usage
- luminaire body
- lamp cover
- balance of articulation joints
- mains lead
- fastening

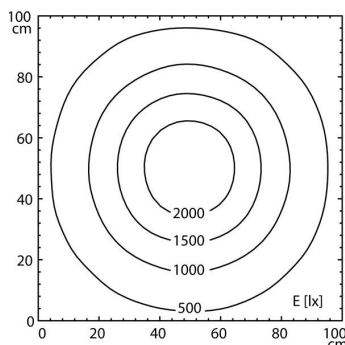

LED

- Energy efficiency category A+
- electronic plug-in ballast
- 100-240 V; 50/60 Hz
- approx. 16 W
- approx. 1250 lm
- neutral white, approx. 5000 K
- > 80
- structured screen
- IP 20
- II with plug-in power supply; III without plug-in power supply
- push button
- plastic, untreated, dusty grey
- structured screen
- spring
- approx. 3 m (9.84 ft); mains plug
- table clamp

illuminance

distance: 50 cm
 Em: 914 lx
 Emax: 2391 lx
 Emin: 177 lx
