

fitted with	LED module - Energy efficiency category A+ reading optic
illuminancefield @ 50 cm	5 000 lx
illuminance @ 50 cm	> 93
color rendering index (CRI)	4 400 K
color temperature	electronic plug-in transformer
work equipment	1.7 m (66.92 in)
mains lead	polycarbonate & acrylonitrile butadiene styrene copolymer (PC & ABS)
luminaire body	1.1 kg (2.42 in)
weight (net)	100-240 V ac
connected load	8 W
power consumption	keypad at luminaire head
usage	spring
balance of articulation joints	II
class of protection	rail mount included rail sold separately
accessory	

norms	ETL / cETL
special features	continuously dimmable, maintenance free
fastening	fastening pin - Ø 16mm (0.63 in.)
order number	D15994950 - pure white
