

|                             |   |
|-----------------------------|---|
| fitted with                 | LED, energy efficiency category A+                        |
| work equipment              | without   |
| connected load              | 120-277 V, AC   |
| power consumption           | approx. 55 W  |
| luminous flux               | approx. 3800 lm   |
| luminous efficiency         | approx. 69 lm/W   |
| light distribution          | direct  |
| light color                 | neutral white, approx. 5000K                              |
| color rendering index (CRI) | > 80  |
| system of protection        | IP 67   |
| class of protection         | III   |
| technology                  | switchable  |
| usage                       | external  |
| luminaire body              | acrylic   |
| weight (net)                | approx. 3.1 kg (6.8 lbs)                                  |
| mains supply                | connector   |
| fastening                   | pipe clamp (accessory)                                    |
| dimension                   | A = 1210 mm, 47.6 in                                      |
| light opening               | D = 1156 mm, 45.5 in                                      |
| outside diameter            | 70 mm, 2.75 in  |
| side part                   | A with screwed cable gland                                |
| special features            | light forming   |
| bundle                      | includes brackets, NEMA 5-15P cordset, and in-line switch |
