

LIGHTING FOR THE HOME OFFICE
FLOOR & TASK LUMINAIRES

Transforming
your
HOME Office
into a
Home **OFFICE**

With corporate offices working from home, students remote learning and less visits to shared office spaces, the home office has had to evolve. Whether a private office, dorm room, or makeshift space in a bedroom or living area, it has been called to meet the needs once filled by the traditional in-office workspace. Task and floor lighting play a key role in this equation. Minimizing eye strain and glare while lighting the room and work surface to a comfortable level for work, the Waldmann LAVIGO/H and PARA.MI can make your HOME office a real home OFFICE.

Glare-free technology with CDP screen

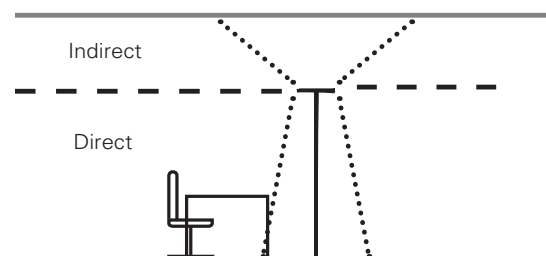

Easy-to-reach toggle switch

LAVIGO/H - LED FLOOR LAMP

A simple, elegant and durable floor lamp, LAVIGO/H satisfies both your room's ambient lighting requirements and provides 21% glare-free direct light distribution for bright, uniform light on your large desk surface. And it's easy-to-use with simple on/off and dimming. Bringing together outstanding light quality and timeless design - LAVIGO/H.

AN INTUITIVE SOLUTION FOR YOUR HOME OFFICE

PARA.MI - LED DESK LIGHT

Constructed of robust aluminum, the streamlined arm and joint combine to give an especially sleek profile. Delivering 600 lumens of high luminous power to the work surface, PARA.MI only consumes 8 W of power.

PARA.MI allows you to adjust individual elements to suit your personal décor or preference. Choose your color* and arm configuration (single or double-arm) to create a PARA.MI that meets your specific needs and unique personality.

* Color options: Black, Silver

FOR OPTIMAL LIGHTING WITH UNIQUE PERSONALITY

GREAT LOOK SIMPLE FUNCTIONALITY

- Luminaire head pivots and turns with self-locking joints that make for simple maneuvering.
- Easy-touch switch on head features on/off and continuous dimming. Memory function can remember the light setting and adjust to the same level the next time it's turned on.
- Auto-off operation allows the luminaire to be set to switch off automatically after a certain time in one hour increments.
