LIGHT FOR BETTER RESULTS

TRIANGO 100/130 C DUAL
THE VERSATILE DUAL CEILING LIGHT

SWISS ENGINEERING THAT WILL INSPIRE YOU

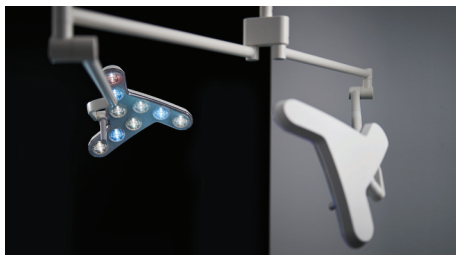

Now Even Brighter

Introducing the TRIANGO 130 Dual minor procedure light—the latest addition to the TRIANGO family. Building on the proven performance of the TRIANGO 100 Dual minor procedure light, the TRIANGO 130 Dual minor procedure light delivers an impressive **130,000** lux at 1.0 meter, providing powerful, shadow-free illumination for examinations and minor procedures.

The perfect maneuverability and the large operating radius of the TRIANGO 100 / 130 C Dual minor procedure light allow for optimal illumination in all situations. The best lighting quality with 100,000 or **130,000** lux ensures reliable shadow-free illumination of the light field. Excellent color rendering properties (Ra 95) for accurate color representation.

Unique dual arm system

Perfect mobility with large radius of movement

Diamond optic

For homogeneous light with 100,000 lux or **130,000** at 1.0 m each

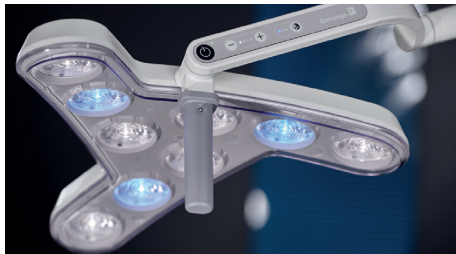

Dual ceiling light

Enables illumination of 2 surgical fields

Ideal color temperature

Fixed 4300 K*, or adjustable: 3700 K / 4300 K / 4700 K

Homogeneous and low shadowing

Illumination field fixed 7"* or adjustable 7", 9" and 11"

Parallel mounted arm linkage

Can be used for low height rooms

Part #	Mounting	Color temp	Light Field	Lux	CRI
D16206000	Ceiling	3700 K / 4300 K / 4700 K	7", 9" and 11"	100,000	95
D16205000	Ceiling	4300 K	7"	100,000	95
D16299000	Ceiling	3700 K / 4300 K / 4700 K	7", 9" and 11"	130,000	95
