desk mounted luminaire

ATARO - DUT 255/P #121604030

fitted with

work equipment

connected load power consumption light distribution luminaire efficiency Light yield glare-free technology

usage luminaire body material surface color lamp cover tubular section material surface color of tubular section weight (net) mains lead fastening special features

ENGINEER OF LIGHT.

2 x 55W/840 CFL TC-LEL 2G11 color temperature 4000K color rendering index (CRI)=80

electronic ballast in housing

120V, 50/60Hz approx. 113W mainly indirect approx. 74% approx. 62 Im/W acrylic microprism reflector integral occupancy sensoring, daylight harvesting, continuously dimmable multi-function switch

aluminum anodized silver not permitted, without

steel tube painted silver approx. 19.2lb (8.7kg) approx. 12ft (3.7m), shock-proof plug table clamp reflector detachable, integrated light- and presence-detecting sensor PULSE, head connection can be turned in an angle of ±45°

distribution of luminous intensity
