

The innovative Culta compliments medical, office and display environments with function and style. Its 20-watt halogen lamp provides non-glaring, mood-enhancing illumination. An additional feature is its blue LED night light. The Culta achieves the perfect balance of performance and beauty.

FEATURES:

- Switch easily between halogen and LED; the Culta's lighthouse is simply tilted to turn on halogen light or LED night light
- Provides high intensity light with a 20-watt halogen lamp
- Blue LED night light
- Silver Finish
- 16.5" articulating arm
- Electronic transformer
- 3-year limited warranty
- 120V is standard; 230V models are available
