

# Waldmann **W**

ENGINEER OF LIGHT.

NORTH AMERICA

MONTREAUX

# MONTREAUX

## UNPARALLELED VALUE, DESIGNED FOR ERGONOMIC COMFORT.

Montreaux's stylish, compact design allows the luminaire to be positioned effortlessly in a variety of home and office work environments. To meet diverse worker needs, the Montreaux's rotational ball joint, located in the base of the head, enables the light to tilt a full 180 degrees. This movement helps reduce glare from computer screens and all other working areas.

Montreaux complements indirect office lighting by distributing light evenly onto the work surface.

**Small, sleek head provides effective lighting.**

The angular head design contains Waldmann's own built-in aluminized parabolic louver which directs light and minimizes

light intensity shifts (transient adaptation). Computer screen and indirect work surface glare are virtually eliminated. The energy-efficient, 18-watt, compact fluorescent lamp is cool to the touch, provides 10,000 hours of lamp life, 1100 lumen output, and a 4100K color temperature.

### **Dual Light Levels For A Variety of Environments.**

A dual light level switch allows users to choose the amount of light necessary for the task at hand. This convenient feature provides a choice of 50 or 100 percent lumen output with a simple click of a switch, and is ideal for illuminating a variety of work requirements. The electronic ballast "E" feature also helps to extend lamp life.

Montreaux "E's" dual level lighting provides 50 or 100 percent lumen output as portrayed above.

Montreux Ordering Information					
Montreux Model	Arm color	Head color	Order #	Mounting Options	
Single Vertical	Black	Black	138-423-111	Table Clamp	200-498-039
Twin Vertical	Black	Black	138-421-111	Table Clamp (for rounded surfaces)	191-025-069-40
Twin Horizontal	Black	Black	138-422-111	Wall Bracket	308-218-109
Single Vertical	Platinum	Black	138-423-101	Round Table Base	190-186-019
Twin Vertical	Platinum	Black	138-421-101	Rectangular Table Base	190-037-019
Twin Horizontal	Platinum	Black	138-422-101	Single Arm Table Base	190-101-019
Specifications				Grommet	203-332-019
Weight = approx. 4 lbs.				Replacement Lamp	
Power consumption = approx. 20W				18-watt, 4100K (Standard) 450-018-162	

**Montreux Single Vertical Arm**

**Montreux Twin Vertical Arm**

**FOOTCANDLE LINES OF ILLUMINATION**

All measurements are stated in footcandles

Distance of head to working plane=20"

**Montreux Twin Horizontal Arm**
