

fitted with

work equipment

- connected load**
- power consumption**
- glare-free**
- system of protection**
- class of protection**
- technology**
- usage**
- luminaire body**
- material**
- lamp cover**
- mains supply**

fastening
dimension

- 2 x fluorescent lamp T5HO 39W
- Daylight white 6500 K
- Color Rendering Index (CRI)=80
- Energy efficiency category A
- electronic ballast
- Energy efficiency index (EEI): A2
- 100-277 V; 50/60 Hz
- approx. 78 W
- conical prismatic screen
- IP 68-1m /69K
- I
- switchable
- without switch
- anodized aluminum
- glass screen
- built-in M12 plug
- screws
- 37.8" [960mm]
